## MACRO INTERNATIONAL CO.

Established in 2014, **MACRO INTERNATIONAL CO.** is situated near Veraval (Shapar), the finest region for manufacturing industrial items in Gujarat. The company is located at G.I.D.C. Padavla. The company is aligned with PM's "MAKE IN INDIA" Campaign and is heartily dedicated to empowering people of our rising nation. To satisfy the demand of the public, the company has set up a modernized production line of scouring pads in its factory. It has taken a leading position in the scouring pad industry. Our management places great importance on the quality of the product; they firmly believe that quality is the life of the factory. It is the first of its kind setup in India. Further in-depth, we make a solid basis to raise our administration to a new level. At present, our products are exported to almost 5 countries and are deeply trusted by our customers all over INDIA.

## OUR PRODUCTS

# YOUR TOMORROW

## MACRO INTERNATIONAL CO.

Looking far into the future, the company believes in "Quality products and customer Satisfaction". Deal with the concrete matters to do business, to grasp and lead the marketing trends, to develop more new designs and exquisite products. With all our hearts, we are pleased to provide the best products and the best services to our customers both at home and abroad.

### Mission

To follow the footsteps of our Group Companies by delivering quality products with a commitment to consistency & durability.

### Vision

To become the leaders in the Abrasive Industry and to be a part in enhancing the quality of life of all mankind by conserving the natural resources & delivering the right product at their doorsteps.

**KEEP YOUR HOUSE CLEAN WITH OUR  
SCRUBBERS,  
SPONGES & MORE**
